EDUCATION

Yonsei University

Mar 2022 - Present

Major : Economics, Mathematics, Applied Statistics (triple major)

GPA: 4.25/4.3

Main Coursework : Calculus, Advanced Calculus I, Linear Algebra, Mathematical Statistics I, Artificial Intelligence Algorithm, Statistical Method, Time Series Analysis, Mathematical Analysis I, Scientific Computing, Stochastic Process, Reinforcement Learning, Information theory

EXPERIENCE

Undergraduate Research Assistant, DIL lab

Oct 2024- Present

Advised by : Prof Jongmin Lee

Leading research on Reinforcement Learning, Sequential Decision Making

Mandatory Military Service, ROK Army

Feb 2024- Aug 2025

Served in a front-line GOP unit, handling imagery and military intelligence tasks.

PROJECTS

Factor Quant Trader using Reinforcement Learning

Aug 2025- Sep 2025

Implemented a dynamic factor investing strategy using a Soft Actor-Critic (SAC) reinforcement learning model to optimize portfolio weights and maximize risk-adjusted returns.

ACTIVITIES

Peer Tutor, Mathematical Statistics I, Yonsei University

Sep 2025- Dec 2025

Led small-group tutoring sessions for undergraduate peers, focusing on probability theory, estimation methods, and hypothesis testing.

Member, Data Science Lab, Yonsei University

Sep 2025- Present

Studying advanced topics in data analysis and artificial intelligence through paper discussions and collaborative projects.

Member, Yonsei Computer Club, Yonsei University

Sep 2023- Dec 2023

Studied and practiced core topics in machine learning and SQL through team-based workshops and coding exercises. Applied fundamental algorithms and database queries to small-scale projects, strengthening data analysis skills.

SKILLS

Programming Languages and Frameworks

Python, R, Matlab, SQL, L^AT_EX

Languages

Korean(native), English(fluent), Japanese(elementary)

AWARDS AND SCHOLARSHIPS

Highest Academic Excellence Award , Yonsei University

Feb 2023, Aug 2023

Awarded for outstanding academic performance

Academic Excellence Award, Yonsei University

Aug 2022

Awarded for outstanding academic performance

Guwon Scholarship, Guwon Scholarship Foundation

Aug 2025

Awarded for outstanding academic performance and research potential
